To the Shareholders

Dear Sir or Madam

Notice of Annual General Meeting

1. INTRODUCTION

I am pleased to be writing to you with details of our AGM which will be held at the registered office of the Company, 1st Floor, Elizabeth House, Les Ruettes Brayes, St. Peter Port, Guernsey GY1 1EW.

The purpose of this letter is to explain the business to be considered at the AGM (the “**Proposals**”).

The proposals are:

- (i) to receive and consider the annual report and financial statements of the Company for the year ended 31 December 2017, together with the reports of the directors and auditor (the “**Annual Report**”);
- (ii) to receive and approve the remuneration report included in the Annual Report;
- (iii) to re-elect each of the Company’s Directors;
- (iv) to re-appoint PricewaterhouseCoopers CI LLP as the Company’s independent auditor to hold office until the conclusion of the next annual general meeting of the Company;
- (v) to authorise the Directors to determine the auditor’s remuneration;
- (vi) to consider the continuation of the Company;
- (vii) to approve the current dividend policy;
- (viii) to authorise the Company to make market acquisitions of its own Shares; and
- (ix) to grant authority to the Directors to dis-apply pre-emption rights contained in the Articles in respect of a specified number of Shares.

Further details regarding each of the Proposals are set out below.

NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

2. ANNUAL REPORT AND FINANCIAL STATEMENTS

Resolution 1, which is an ordinary resolution, proposes that the Annual Report for the year ended 31 December 2017 be received and considered.

The Annual Report provides a detailed overview of the Company’s performance over the financial year ended 31 December 2017 and a projected outlook for the present financial year. Shareholders will be given the opportunity to ask questions about the Annual Report at the AGM before being invited to receive and consider the Annual Report.

3. DIRECTORS’ REMUNERATION REPORT

Resolution 2, which is an ordinary resolution, seeks Shareholder approval of the Directors’ report on remuneration, which is set out on pages 38 to 42 of the Annual Report. The Directors’ report on remuneration describes how the Board has applied the principles relating to Directors’ remuneration and how much remuneration each individual Director received for the financial year ended 31 December 2017.

4. RE-ELECTION OF THE DIRECTORS

Resolutions 3 to 6, which are ordinary resolutions, propose the re-election of each of the Company’s Directors, in accordance with Principle 3 of the AIC Code which states that all Directors of a FTSE 350 company should be subject to annual re-election by shareholders.

Each Director will hold office until the forthcoming AGM and will offer themselves for re-election by Shareholders at that meeting.

The Board currently consists of four independent non-executive Directors, including the Chairman. The Remuneration and Nomination Committee carried out a Board evaluation in November 2017 facilitated using an external evaluator. During this evaluation the performance and commitment of the Directors standing for re-election was reviewed and reported to the Board.

The Board believes that the current Directors should continue to be Directors as they bring wide, current and relevant business experience that allows them to contribute effectively to the leadership of the Company.

Biographical details for the Directors are shown on the Board of Directors section of the Annual Report.

5. RE-APPOINTMENT AND REMUNERATION OF THE AUDITOR

Resolutions 7 and 8, which are ordinary resolutions, seek to re-appoint PricewaterhouseCoopers CI LLP as the Company’s independent auditor and to authorise the Directors to determine the auditor’s remuneration.

In accordance with sections 257 and 259 of the Companies Law, shareholders are required to approve the appointment of the Company’s auditor each year to hold office until the next annual general meeting of the Company and to give Directors the authority to determine the auditor’s remuneration.

PricewaterhouseCoopers CI LLP have expressed their willingness to continue as auditor to the Company.

6. CONTINUATION

Resolution 9, which is an ordinary resolution, seeks to implement Article 51.1, whereby it is proposed at each annual general meeting from 2018 onwards, that the Company continues its business as a closed-ended investment company.

The decision to vote for or against the Continuation Resolution is a matter for each individual Shareholder. However, certain matters which Shareholders may wish to take into consideration are set out below. There may also be other risks of equal or greater magnitude which are not set out or which may be applicable to certain Shareholders or types of Shareholder.

- In the event that the Continuation Resolution is not approved, the Company will put forward proposals to Shareholders for the restructuring or reorganisation of the Company. Such proposals may result in the Portfolio being realised at a material discount to its Net Asset Value and there can be no certainty as to how much cash would be returned to Shareholders or over what timeframe. Any such proposals would also result in the Company incurring additional costs in formulating those proposals.

NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

- Shareholders in the Company who currently wish to realise part or all of their investment in the Company may do so through the trading of the Company’s shares on the main market of the London Stock Exchange, although there can be no certainty as to the liquidity of the Shares in future and the Shares may trade at a discount to their prevailing Net Asset Value.
- The Company invests in non-investment grade rated issuers which are subject to a higher degree of risk and are more sensitive to changes in the economic environment. Material changes affecting global debt and equity capital markets may therefore have a negative effect on the Company’s business, financial condition and results of operations.
- The value of the Shares can fluctuate and may go down as well as up and there is no guarantee that the market price of the Shares will fully reflect their underlying Net Asset Value. In addition, there can be no guarantee that the Company will meet its investment objective.
- Any change in the Company’s tax status or in taxation legislation or the interpretation or application of taxation legislation could affect the value of investments held by the Company, the Company’s ability to achieve its investment objective, the ability of the Company to provide returns to Shareholders and/or to alter the post-tax returns of Shareholders.

Other risks, including (but not limited to) those set out in the Company’s prospectus dated 30 September 2013, may be applicable to the matters set out in this Circular and a continued holding of Shares.

7. DIVIDEND POLICY

Resolution 10, which is an ordinary resolution, is a reconfirmation of the Dividend Policy as set out in the Company’s prospectus dated 30 September 2013.

8. REPURCHASE OF THE COMPANY’S SHARES

Resolution 11, which is an ordinary resolution, seeks to renew the authority granted to the Directors pursuant to section 315 of the Companies Law, enabling the Company to make market purchases of its Shares. Any Share purchased pursuant to this authority may be held in treasury or cancelled. The Board will use the repurchase authority to assist in managing any excess supply in the market and demand for the Company’s Shares thereby seeking to reduce the volatility of any discount.

The authority under this resolution is limited to the purchase of a maximum of up to 6,687,027 U.S. Dollar Shares and 138,863,699 Sterling Shares or, if less, such other number of Shares that is equal to 14.99 per cent. of each class of Shares in issue at the date of the passing of this resolution. The minimum price (exclusive of expenses), which may be paid for a Share is 1 cent/1 pence (as applicable). The maximum price (exclusive of expenses) which may be paid for a Share of any class shall be the higher of: (a) an amount equal to 105 per cent. of the average middle market quotations for a Share of the relevant class as derived from and calculated by reference to the Daily Official List of the London Stock Exchange for the five business days immediately preceding the day on which the Shares of such class are purchased; and (b) the higher of: (A) the price of the last independent trade; and (B) the highest current independent bid for a Share of the relevant class on the London Stock Exchange at the time the purchase is carried out. The Company may cancel or hold in treasury any Shares bought back under this authority. The Company holds, as at 5 April 2018, 1,342,627 U.S. Dollar Shares and 75,000,000 Sterling Shares in treasury.

This authority will expire at the conclusion of the next annual general meeting of the Company or on a date which is 18 months from the date of passing of this resolution (whichever is earlier) and it is the present intention of the Directors to seek a similar authority annually.

9. DISAPPLICATION OF PRE-EMPTION RIGHTS

Resolution 12, which is a special resolution, seeks to allow the Directors to be able to allot and issue Shares on a non pre-emptive basis. The Directors require specific authority from Shareholders before allotting new Shares for cash, or selling Shares held by the Company in treasury, without first offering them to existing Shareholders in proportion to their holdings, as set out in Article 6.2.

The authority to allot and issue Shares on a non pre-emptive basis under this resolution is in respect of: (a) up to 4,460,992 U.S. Dollar Shares, or if less, 10 per cent. of the U.S. Dollar Shares in issue; and (b) up to 92,637,558 Sterling Shares, or, if less, 10 per cent. of the Sterling Shares in issue. This authority will expire at the conclusion of the next annual general meeting of the Company, unless previously renewed, varied or revoked by the Company in general meeting. Shares will only be issued at a premium to the latest published net asset value per Share.

The Board feels that this authority is appropriate and customary for a closed-ended investment fund such as the Company, having regard to guidance from The Association of Investment Companies and the Statement of Principles published by the Pre-emption Group.

NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

10. RESOLUTIONS AND AGM

A notice convening the AGM to be held at 10:00 a.m. on 13 June 2018 is set out at the end of this Circular.

The quorum for the AGM will be two Shareholders present and entitled to vote in person or by proxy. If within 30 minutes of the time appointed for the AGM a quorum is not present, the AGM shall stand adjourned for five Business Days at the same time and place or to such other day and at such other time and place as the Board may determine and no notice of such adjournment need be given. If the AGM is adjourned for want of a quorum, the quorum for the reconvened AGM will be those Shareholders who are present in person or by proxy.

Resolutions 1 to 11 of the Proposals to be voted on at the AGM are proposed as ordinary resolutions; resolution 12 is proposed as a special resolution.

For an ordinary resolution to be passed, it must be approved by more than 50 per cent. of votes cast by the Shareholders present and entitled to vote at the AGM in person or by proxy.

For a special resolution to be passed, it must be approved by a majority of not less than 75 per cent. of votes cast by Shareholders present and entitled to vote at the AGM in person or by proxy.

11. ACTION TO BE TAKEN

Whether or not you intend to attend the AGM, you should ensure that your Proxy Appointment is returned to Link Asset Services by one of the following means:

- (1) in hard copy form by post, by courier or by hand to, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU; or
- (2) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the notice of the AGM.

In each case, the Proxy Appointment must be received by the Company not less than 48 hours before the time for holding of the AGM. In calculating such 48 hour period, no account shall be taken of any part of a day that is not a Business Day. To be valid, the relevant Proxy Appointment should be completed in accordance with the instructions accompanying it and lodged with Link Asset Services by the relevant time.

Completion and return of the Proxy Appointment will not affect a Shareholder’s right to attend, speak and vote at the AGM.

12. RECOMMENDATION

The Board considers that the Proposals and the Resolutions are in the best interests of the Company and its Shareholders as a whole. The Board accordingly recommends all Shareholders vote in favour of the Resolutions to be proposed at the AGM.

The Directors intend to vote (or, as the case may be, procure the voting of) their beneficial holdings in favour of the Resolutions in respect of their aggregate holding of 70,041 Shares.

Yours faithfully

William Frewen
Chairman

NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

Notes:

Resolutions 1 to 11 are proposed as ordinary resolutions. For an ordinary resolution to be passed, more than half of the total number of votes cast by Shareholders being entitled to vote (by proxy or in person) must be in favour of the resolution.

Resolution 12 is proposed as a special resolution. For a special resolution to be passed, not less than 75 per cent. of the total number of votes cast by shareholders being entitled to vote (by proxy or in person) must be in favour of the resolution.

1. Voting record date

The Company specifies that only those holders of Shares entered on the register of members of the Company no later than close of business on 11 June 2018 or, in the event that this Annual General Meeting is adjourned, on the register of members of the Company 48 hours before the time of any adjourned Annual General Meeting, will be entitled to attend or vote at the Annual General Meeting in respect of the number of Shares registered in their name at that time. The register of members of the Company at that time is also used for the purposes of calculating how many votes a holder of each Share may cast and such Shareholders shall be entitled on a poll to: (a) one vote in respect of each US Dollar Share held by him; and (b) 1.6 votes in respect of each Sterling Share held by him. Changes to entries on the register after no later than close of business on 11 June 2018 or, in the event that this Annual General Meeting is adjourned, in the register of members of the Company 48 hours before the time of any adjourned Annual General Meeting, will be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting. In calculating such 48 hour periods referred to above, no account shall be taken of any part of a day that is not a Business Day.

2. Joint registered holders

Where there are joint registered holders of any Share, such persons shall not have the right of voting individually in respect of such Share but shall elect one of their number to represent them and to vote whether in person or by proxy in their name. In default of such election the person whose name stands first on the share register of the Company shall alone be entitled to vote.

3. Right to appoint proxies

A member of the Company entitled to attend, speak and vote at the Annual General Meeting is entitled to appoint a proxy or proxies to exercise all or any of his or her rights to attend and to speak and vote instead of him or her in any of the following ways: (a) by completing and returning the enclosed Proxy Appointment; or (b) through the CREST electronic proxy appointment service (if they are users of CREST, including CREST personal members). Members who have lodged forms of proxy, or who have appointed a proxy through CREST, are not thereby prevented from attending the Annual General Meeting and voting in person if they so wish. A proxy need not be a member of the Company but must attend the Annual General Meeting to represent you. If you wish your proxy to speak on your behalf at the Annual General Meeting, you will need to appoint your own choice of proxy (not the Chairman/Secretary) and give your instructions directly to them.

A member may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to different Shares held by a member. You may not appoint more than one proxy to exercise rights attached to any one Share. Where multiple proxies have been appointed to exercise rights attached to different Shares, on a show of hands those proxy holders taken together will collectively have the same number of votes as the Shareholder who appointed them would have on a show of hands if he were present at the meeting. On a poll, all or any of the rights of the Shareholder may be exercised by one or more duly appointed proxies. To appoint more than one proxy you may photocopy the form of proxy. Please indicate the proxy holder's name and the number of Shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of Shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.

4. Proxies' rights to vote at the meeting

On a vote on a show of hands, each proxy has one vote. If a proxy is appointed by more than one member, and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote “for” or “against” as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, the proxy may, on a show of hands, vote both “for” and “against” in order to reflect the different voting instructions.

On a poll all or any of the voting rights of the member may be exercised by one or more duly appointed proxies.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member.

6. Receipt and termination of proxies

To be valid a Proxy Appointment must be deposited, by hand or by post, at the offices of Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 10:00 a.m. on 11 June 2018. If you prefer, you can return a Proxy Appointment from the UK in an envelope addressed to: FREEPOST PXS, 34 Beckenham Road, Beckenham, Kent BR3 9ZA. Please note that delivery using this service may take up to five Business Days. The Company will also accept forms of proxy deposited in accordance with the Articles. The Directors may in their absolute discretion elect to treat as valid any instrument appointing a proxy which is deposited later than 10:00 a.m. on 11 June 2018. If the Directors so elect, the person named in such instrument of proxy shall be entitled to vote.

A member may terminate a proxy's authority at any time before the commencement of the meeting. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or a duly appointed attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice. The revocation notice must be received by Link Asset Services no later than 10:00 a.m. on 11 June 2018. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

NOTICE OF ANNUAL GENERAL MEETING (“AGM”)

To change your proxy instructions, simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions: any amended proxy appointment received after the relevant cut off time will be disregarded.

7. Electronic receipt of proxies

CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (the CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s (“Euroclear”) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Asset Services (CREST participant RA10) by no later than 10:00 a.m. on 11 June 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which Link Asset Services is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions, it is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s) to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 34(1) of The Uncertificated Securities (Guernsey) Regulations, 2009.

8. Attendance at the Annual General Meeting

Appointment of a proxy does not preclude you from attending the Annual General Meeting and voting in person. If you have appointed a proxy and vote at the Annual General Meeting in person in respect of Shares for which you have appointed a proxy, your proxy appointment in respect of those Shares will automatically be terminated.

In the case of joint holders, the signature of only one of the joint holders is required on the Proxy Appointment. Where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the more senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s register of members in respect of the joint holding (the first-named being the more senior).

A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to every other matter which is put before the Annual General Meeting.

9. Questions at the Annual General Meeting

The Directors will answer any questions raised at the Annual General Meeting which relate to the business of the meeting, although no answer need be given:

- (a) if to do so would interfere unduly with the preparation of the meeting or involve disclosure of confidential information;
- (b) if the answer has already been given on the Company’s website; or
- (c) if it is undesirable in the best interests of the Company or the good order of the meeting that the question be answered.
